Description

This program encompasses three essential elements. The expectations for all three are described below.

1. **Assessments** – You will be asked to complete a DISC behavioral assessment during the program.
2. **Skill Building Sessions** – Our next virtual Fast Track runs September 29th through December 8th, 2020. Meeting Dates are 9/29, 10/6, 10/20, 11/3, 11/16 and 12/8 from 10am – 12pm EST.
3. **Individual Coaching** – You will meet by video conference with your coach for a total of four times in between monthly meetings. These meetings are to discuss your progress against your development goal, discuss challenges and apply learnings from the group sessions.

Coaching is an alliance between you and your coach, in which you are engaging in a thought-provoking and creative process that inspires you to maximize personal and professional potential.

- The coach agrees to maintain the International Coaching Federation's Code of Ethics and standards of behavior and to support you in achieving your goals.
- You are responsible for creating and implementing your own physical, mental and emotional well-being, decisions, choices, actions and results.

This means you agree to communicate honestly, be open to feedback and assistance and create the time and energy to participate fully in the program. If you need to reschedule a call with your coach, it is required to give 24 hours notice. If you have concerns or are experiencing challenges with any aspect of the program, please reach out proactively to your coach so that she can help you.
