

Want high potential women of color to advance more quickly? We can help.

HNS FAST TRACK:

**Leadership
Bootcamp -
for Women
of Color
(virtual)**

What women gain:

- Confidence to overcome internal and systemic barriers
- Know-how to translate ambition into opportunities
- Increased self-awareness and presence

How organizations benefit:

- Diverse perspectives lead to greater innovation and smarter decisions
- Improved engagement and retention of key talent
- Stronger employer brand and reputation

We guide women to own their unique value, broaden their influence and contribute at higher levels.

Our 4-month program builds confidence, know-how and focus to advance careers.

HNS FAST TRACK:

Virtual Leadership Bootcamp for Women of Color

How we help women advance more quickly

Assessment and Goal Setting

Participants solicit feedback and measure progress against one key leadership goal. Self-awareness is enhanced through the DiSC assessment.

Skill Development

6 virtual training sessions develop these critical areas:

- handling microaggressions
- managing the inner critic
- identifying unique contribution and communicating Leadership Brand
- maximizing presence
- developing emotional agility
- building strategic relationships that lead to advancement

One-on-one coaching

4 hours of executive coaching addresses unique development challenges, stretches perspectives and challenges habitual thinking.

Who should attend:

Women of color with 6–12 years experience who are on the fast track for greater responsibility.

Program includes:

- 6 virtual skill building sessions
- 4 virtual executive coaching sessions
- DiSC assessment
- Assignments between sessions to apply learning and internalize new behaviors.

Investment:

Our virtual
four-month
program is
\$4,500
