

Want women managers to advance more quickly?

We can help.

HNS ACCELERATE: **For Women Leaders on the Rise**

We support women in breaking through external barriers and self-imposed limits to own the value they bring.

Are women in your organization:

- High achieving but not reaching senior levels?
- Tactical experts but not making time to think strategically?
- Innovative thinkers who aren't getting heard in meetings?

Who should attend:

Women who manage people or functions and are poised to increase their impact.

Women emerge from our 6-month bootcamp as better influencers, strategists and self-advocates who challenge the status quo.
